## About us

CFB network AG stand for value-driven business management in tourism. We provide financial and strategical consulting for national and international tourism companies and handle purchases, sales and other transactions.

We are a team of motivated and independent experts, well-educated and with long-term practical and management experience in the hotel and restaurant industry but also in the credit and trust business. We offer reliable market knowledge and maintain a network of selected partner companies, investors, hotel operators, national and international hotel companies as well as banks, public corporations and science.

We process all requests with the same diligence and commitment. Thanks to an efficient cooperation with our partners, we can ensure that complex and large-scale projects will be implemented promptly and professionally.

It is our goal to supply our clients with the best possible work and decision foundations for value-driven business management.

## General principle

CFB network AG...

- work efficiently and with balance, commitment and customer focus
- support clients with tailor-made approaches in value-driven business management
- understand the required tasks and can structure them and systematically find solutions
- understand the markets, best practice and innovations within the hotel and tourism industry and regularly expands that horizon
- maintain a network with selected partner companies and can expertly support clients in complex matters
- develop professional, high-quality work and decision foundations for various stakeholder groups
- build on the core competencies of clients and concentrates on competitive advantages
- can provide support to clients from analysis to planning, implementation and controlling and understands the life cycle of hotel operations
- maintain long-term customer relationships.

CFB network AG - Your partner for financial and strategic questions of small and large hotel enterprises.
